MATER DEI

1963

Dedication

We admire Pope John's courageous efforts to effect the ideals of union in God given to us through Christ, our Lord. By calling the Second Vatican Council, our humble Pope has already helped to produce "abundant fruit," and has made the future ripe for a still greater growth toward unity.

We are grateful for the unity of our Church, and of our families, and for the unified spirit among our faculty. We hope to find union in God now and always by living fruitfully in the family that is Christ. To the man who is bringing us closer to a realization of that union, to Pope John XXIII, Pontiff of Unity, we proudly and gratefully dedicate our MATER DEI 1963.

Barb,
Best of luck to a real

"I am the vine, you are its branches; if a man lives on in me, and I in him, then he will yield abundant fruit; separated from me, you have no power to do anything . . . as long as you live in me and my words live on in you, you will be able to make what request you will and have it granted . . . live on then, in my love." (John XV, 5-10)

IN MEMORIAM

The Most Reverend Joseph A. Burke, D.D., spent ten years tirelessly and unselfishly administering to the needs of the people of the diocese of Buffalo. How fitting it was for Bishop Burke to be called to his eternal reward while serving his people at the Vatican Council in Rome, the eternal city. The news of his death reached his flock on October 16, 1962.

The loss of Bishop Burke was mourned deeply by us students at Notre Dame, for it was during his bishopric and because of his interest in Catholic education that Notre Dame was built. May our school itself and the knowledge we gain here always stand in his loving memory.

"Some he has appointed to be apostles, others to be prophets, others to be evangelists, or pastors, or teachers. They are to order the lives of the faithful, minister to their needs, build up the frame of Christ's body, until we all realize our common unity through faith in the Son of God. So we shall reach perfect manhood, that maturity which is proportioned to the completed growth of Christ." (*Ephesians IV, 11-13*)

REV. EUGENE F. KOLB

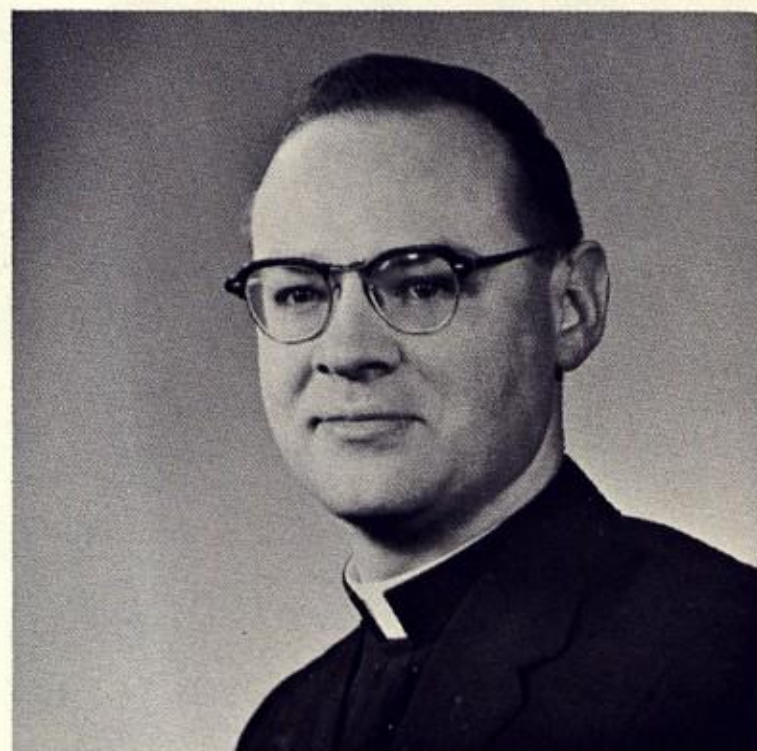

As Principal of Notre Dame, Father Kolb has been entrusted with endless duties, and a monumental task. He has met the challenge, and in so doing, has aided in the growth and development of our school. Notre Dame's traditions of a familial spirit among the faculty, a happy student-faculty relationship, and a unified school spirit have been fostered during his tenure. Father Kolb metes out justice with charity, and it is perhaps for this quality that he is most loved. He listens patiently to our problems, and usually helps us to find the right solutions. His efforts to give us every opportunity to reach scholastic success, and to gain spiritual union with God are tireless.

For all this, Father Kolb has earned our respect, and we are truly grateful.

Seniors

Notre Dame is so much a part of us now, that it is difficult for us to remember that we once felt new and strange here. But not so long ago, four years to be exact, we were newcomers. That freshman year was filled with "firsts"—attending our first retreat, sponsoring our first dance, participating in our first athletic events, and perhaps realizing for the first time the necessity of hard work for scholastic success. Each year, we sponsored more and more projects, and became a more significant part of our school. Each year, members of our class participated in more activities; our school became a more vital part of us.

We look back gratefully to all that Notre Dame has taught us, knowing that graduation will not separate that union which the Class of '63 and our Alma Mater have achieved.

Juniors

More and more in the limelight of Notre Dame is the spirited Class of '64. The Juniors' scholastic ability, athletic prowess, and musical talent are evident in their participation in all phases of activity at Notre Dame.

Junior boys participate in Varsity sports, urged on by the enthusiastic encouragement of the cheerleaders from their class. The girls compose a large percentage of the G.A.A., and many are members of the basketball and volleyball teams. Many Junior voices are in the Varsity Glee Club, as well as in the Colleens, and

Choraliers. In November, nineteen Juniors were inducted into the Notre Dame Chapter of the National Honor Society. Also in the fall, the Junior dance, featuring disc jockey Dan Neaverth, was a successful class project.

Thanks to the guidance of their moderators, Father Donlon, and Sister Maurice, and the leadership of their officers, the Junior year was a pleasant and profitable one for the Class of '64.

Under the leadership of their officers and the guidance of their moderators, Mrs. Voltura and Father Stengel, the sophomore class has become an active participant in Notre Dame affairs.

This class, the largest in Notre Dame's history, supplies strength for both Jay Vee and Varsity sports, and melodious voices for the Varsity Glee Club. Sophomores turned out in large numbers for such activities as dramatics, debating, bowling, and intramurals. Their leadership qualities are apparent in the Student Council and C.S.M.C.

The Christmas Dance, sponsored by the Sophomores, was a success due to the hard work and energetic cooperation which this vigorous class puts into its every effort.

Freshmen

Laughter and disorder pervaded the halls of Notre Dame the first week of school as the Freshmen tried to find their way. They were caught in a whirlpool of changing classes and different teachers. New friends were made and "lost" old ones were found. The hardest thing about being a Freshman was that everyone knew "it."

Already they have many treasured memories—as their first Retreat, Mission Day, the Christmas dance, participation in C.S.M.C., Student Council, Cheerleading, and the winning of Varsity letters in sports. The Class of "66" will always remember its Freshman year as that magical year of transformation.

Numbering "2 to the left—1 to the right," freshman girls practice the art of locker-opening: Yvonne Kimaid, Maria Cintorino, Jane Kibler, Lucille Joslin, Mary Ellen Newell, Ellen Cunningham, Elizabeth George, Jean Wood, Corrine Rapone, Charlene Wujcik, Margaret Whalen, Kathleen Amedick.

Happy that television is part of Notre Dame curriculum are freshmen: Lawrence Pryzbyl, Edward Cassidy, James Sweeney, James Murphy, Michael Lippold, James Wigton, Albert Cecere, Charles Lamendola and Larry Wilson. Seated: John Wujcik, James Schiller and Mark Van Buren.

Under the supervision of Sister Eleanor Anne, Bonnie Callan proves a calm patient as Janalee Russell reads her temperature. Observing her technique are: Catherine Schmeh, Donna Marie Ross, Linda Schiavone, Mary Ann Ruffino, Diane Raphael, Jacqueline Russel, and Joanne Mullen.

Notre Dame Voices Unite In Song

Notre Dame's Glee Club has grown in both number and quality during the three years of Sister Thomas Joseph's direction. More than 180 students compose the Varsity Glee Club, which presents the Christmas and Spring Concerts and sings with other high schools in competition, both here and in Buffalo.

Because of their laudable extracurricular efforts, the Choraliers and Colleens are often spotlighted in the annual concerts.

The Preparatory Glee Club consists of Freshmen who are trained in part-singing before being admitted to the Varsity Glee Club.

The Dramatics and Debate Clubs at Notre Dame have had their most active seasons this year. Moderated by Father Donlon and Sister Marian Francis, Notre Dame's Thespians produced two Christmas plays, for Mission Day and the Christmas Concert as well as a one-act play for the Diocesan competition.

The Debate Club, largest in N. D. history, was recently chartered by the National Forensic League. With Father Donlon as their Coach, the Debaters have won three debates in their four Buffalo competitions as well as a radio debate.

Varsity Football

A young varsity football team engaged in a heavy schedule of eight games this year, four being played on our own athletic field. Under the watchful eye of Coach Lodestro, Co-captains Ed Carney and Dave Lenihan led the players through a tough season. Heart-breaking defeats, coupled with injuries to several key players hampered the Irish cause, but the team retained a fighting spirit throughout the season, and they gave a very creditable performance.

However, the boys performed ably and gained the experience necessary to build a strong team.
